

September transforms the Alpine meadows into a glorious palate of colors. The lodge remains open with self catered and independently guided mountain bikers & hikers enjoying the fall. We welcomed the Revelstoke Fire Management Crew into the lodge as they completed work in Glacier National Park. Our caretakers commenced winterizing tasks in preparation for the colder days ahead. Winter 2016/17 will begin with Avalanche Safety Training Level 1 & Level 2 courses being offered in early December.

AST Level 1- \$1300
December 2 - December 5
December 9 - December 12

AST Level 2 \$1500
December 5 - December 9
Sold Out
