February 2017 Newsletter

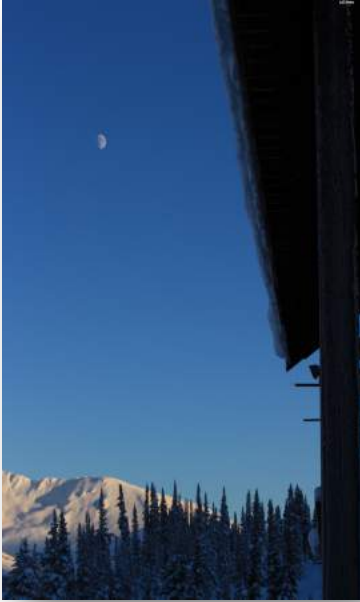

***“Loving Longer Days and Loving Purcell Mountain Lodge.”***

January flew by quickly and our guests had lots of love and care from our Purcell family. Thank you to Guides Burke, Darren and practicum Thomas and to Lodge Hosts/Caretakers Mike, Doug, Caimin, Tessa, Jerry, Sasha and Molly. The Lodge was well cared for and guests received lots of TLC from our wonderful team. We are pleased to welcome Summer Executive of Moraine Lake Lodge Chef Steven Lay for the winter season. Steven’s modern approach to Canadian mountain cuisine is outstanding he and consistently exceeds our guest’s expectations. Our guided daily ski program is now in full swing. Group tours run steadily till early April. Please go to [www.purcellmountainlodge.com](http://www.purcellmountainlodge.com) for all the latest updates on helicopter seats and accommodations or call 1 888 767 8989.

In February, we will welcome Purcell friends from as far as Australia, Germany, China, Colorado, Minnesota, Montana, Montreal, Quebec City and more! Fully guided & catered tours remain a comfortable size of 8 to 14 guests with two guides and with some tours an additional tail guide based on guest’s experience level. With advanced notice, guests may request private guiding for an additional cost. Reach out to us anytime to customize your stay with us to ensure you are getting the backcountry mountain adventure you desire.

***Guided Snowshoe Tours***

Purcell Mountain Lodge is located in North America's largest alpine meadows. It is a natural fit to commence guided snowshoe tours as well as self guided snowshoeing options all winter. Snowshoeing offers a gentle approach to newcomers to the backcountry. It is a perfect activity for families with young children or friends seeking a simple mountain retreat. The terrain near the Lodge allows for doorstep fun for all ages and ability levels. Please connect with us if you are interested in snowshoeing this winter. Watch for guided snowshoe tour dates for Winter 2017/2018 schedule. Private groups interested in snowshoe tours it is best to in advance for the 2017/2018 season to avoid disappointment.
