

PURCELL MOUNTAIN LODGE
March 2017 Newsletter

Our Purcell family celebrated the end of another successful season. March had record snowfall and epic ski conditions. On one of the last tours everyone was able to see the Aurora borealis in our backyard. One of our guests was celebrating his birthday and I like to think somehow the magnetic super powers of our Purcell family was able to create this perfect display for our birthday guest. I believe all the positive energy and care from our Purcell family made the Northern Lights appear in the sky! Our entire winter team from guides, volunteer guides, chefs, hosts/caretakers to stager and the crew from Alpine Helicopters all possessed this super power all season long. We all worked effortlessly together to create incredible days and magical nights such as this one for each and every one of our guests!

Winter was bustling and guests came to celebrate special occasions, share mountain adventure, friendship, family time and corporate team building. Each guest came and took with them what they needed for revitalization. The positive atmosphere, shared stories and laughter while earning their turns rejuvenated our new Purcell friends. Everyone left will fond memories and a smile!

150

Preparations are ongoing for the summer hiking season and bookings are steady for our guided hiking program from June 30 to Thanksgiving long weekend. For opening tour, we will toast Canada's 150th birthday with our 2nd Annual Fine Food and Wine Tour. The tour commences on June 30th and the party will continue for the weekend. Welcome back long time hiking guide Kevin Blades for the celebration tours. There is space to join us for June 30-July 3, a 3 night stay and July 3-7 a 4 night stay. Both tours are specially priced at \$1690 per person plus tax.
