

Hope in the Fight Against COVID-19

We are happy to share after many challenging months, a vaccine against COVID-19 has been approved. Canadians now have a reason to feel optimistic and excited about returning to the lives we led pre COVID-19. Since the announcement on December 9th by Health Canada, everything has been moving at a quick pace. Canada became the third country in the world to approve the Pfizer-BioNTech COVID-19 vaccine. Canadians have already begun receiving the vaccine and vaccination for the general population is anticipated to begin in April.

Thanks to the many advances in science and technology, Canada has reached a critical milestone in the battle against COVID-19. Canadians can view the Government of Canada website at www.canada.ca for more information on the vaccine safety, efficacy and quality requirements for use in Canada.

On December 21st, we celebrated Winter Solstice, the shortest day of the year. "The Winter Solstice is the time of ending and beginning. A time to forgive to be forgiven, and to make a fresh start."

- Frederick Lenz

Our PML family are looking forward to welcoming back guests soon. We are committed to a safe winter and have stepped up our health and hygiene practices because your safety and the safety of our family is always our top priority. We hope you will join us in 2021 and travel with confidence knowing we have adapted Work Safe BC and global safety protocols.

Provincial Health Officer Order

We will celebrate the holiday season soon and ring in the New Year. During the next few weeks, let us remember it is essential for everyone to continue to respect the public health measures and keep our family and community safe, but know that we are on a path towards normality.

Canadians are not in a position to let our guards down as we are still facing a challenging winter ahead. To protect our public health, the Provincial Health Officer has added a mask mandate order in all public indoor settings and workplaces. Our winter family will be wearing masks inside the lodge. We will expect our guests to follow and adhere to the B.C. mandatory mask policy when visiting this winter. We thank you and appreciate your cooperation.

Travel Restriction Update

At this time, a recommended non-essential travel advisory is in place and we look forward to hopefully welcoming guests after January 8, 2021. Travel into and out of B.C. should be avoided. Prior to January 8th, 2021, if you are coming from outside B.C. please visit Golden for essential reasons only. When planning for your trip it is essential to read the Golden BC COVID business page at www.tourismgolden.com/covid-19

Golden is ready to welcome you this winter, but let's continue to do it safely.

Together we can all do our part to have a fun, relaxing & memorable winter. Know before you go!

We are often thinking about our friends around the globe and thankful for the past precious memories shared together. We hope you will continue to stay in touch, send us emails or call to let us know how you are doing. Your friendships are important to us and we love to reminisce about the pre COVID days. We are missing you and will be delighted to connect again when the time is right.

The COVID-19 vaccine is now in Canada and we will soon be able to welcome all travellers back soon. At this time, the US-Canada border remains closed until December 21, 2021. International travel restrictions have also been extended to January 21, 2021. Please pre plan now for your future visit at 1888 767 8989 or email info@purcellmountainlodge.com

It's the Most Wonderful time of the Year

This holiday season is likely to be a Christmas unlike any other. A gift we can give our family and loved ones would be to do everything we can to reduce the spread of the virus itself is to limit the number of people we come in contact with. Canadians will all be doing their part and many will celebrate together remotely by phone, social media and Zoom with loved ones outside their immediate household.

Essential Front Line & Health Care Workers

It is important for everyone around the globe to continue to do our part to give all our front line and health care workers the much-needed break they deserve. Thank you to the many workers who are the backbone of the community they serve. You play a critical role and have been working non-stop to provide essential services and care to those who need it most. Please join our family and say thank you to all essential workers. There are not enough words to express a thank you and gratitude but know our family are sending you good wishes!

Dear Santa, I don't want anything for Christmas, but, I would like to ask you if you can do me a favor: can you please find a cure for COVID-19 and give it to us to save the world. Thank you, love Jonah

Special thank you to the December pre season caretakers, Your hard work and care was appreciated and together we accomplished so much more. Thank you to Sean, Keenan, James, Ken, Stef, Aaron, Louis, Nigel and Jamie for looking after the lodge this month.

Backcountry for Everyone to Enjoy

The British Columbia backcountry is the perfect pairing of adventurous thrills and serenity. Guests are welcome to a variety of outdoor pursuits right at our doorstep, and when the sun goes down our spacious lodge allows for rest, rejuvenation and relaxation. Whether you are a seasoned backcountry skier or new to the backcountry, there is no better or safer choice than a visit to our world-class luxury lodge.

Winter Programs Right Outside Our Front Door

Regular helicopter flights from Golden, B.C. will be every Monday and Friday for a three or four night stay starting in January. We will adhere and operate in accordance to all PHO guidelines. Our daily program options are a guided and catered program, or self catered and self guided program. Whatever program you choose, your trip will be the perfect escape for any mountain enthusiasts.

Winter 2020/21 Hassle Free & Flexible Refund Promise

We understand the pandemic has affected the ability to control our booking schedule and your travel plans. Your booking is secure with a 50% deposit and final payment is paid 30 days prior to your tour. If guests start to exhibit any COVID-19 symptoms or have been in contact with someone with COVID-19, rest assured your money is protected. A refund will be issued minus a \$75 administration fee and 3.7 % credit card refund fee. Contact info@purcellmountainlodge.com as soon as possible.

We are ready to host you soon and have rigorously evaluated our logistics, staff training and protocols to make sure we not only meet our guests expectations, but to exceed them in every single way. Read our Safety Plan at www.purcellmountainlodge.com under "Booking", to learn more about how we are prioritizing your safety and well being when you travel with us!

Gourmet Meals in the Backcountry

We are pleased to welcome Chef Josef to the Purcell Mountain Lodge family and returning Chef Steven Lay. Our Adventure Chefs are passionate about food and will make sure there are plenty of healthy choices and enough food to satisfy the largest appetites. Josef and Steven will strive to make sure our meals provide nourishment and that you will be full of energy for the longer days spent earning your turns and ripping through powder.

- Breakfast is a cold and hot selection featuring plenty of classic favorites.
- Your gourmet lunch will be pre-packed and enjoyed out on the terrain.
- The lunch includes homemade sandwich, snacks and baked treats. Our lunch spots in the backcountry are surreal. Don't forget your thermos so you can sip on a hot drink while gazing into our winter wonderland!
- Dinner is a plated three-course meal.

Downtime after Skiing

After a day of play outside, there is nothing better than coming back to the lodge and enjoying an après ski snack and a cold beer. We stock only the best BC beers and ciders at the lodge and these are readily available at our cash bar. Our staff will assist you with getting your drinks and please space apart while waiting for your beverages.

Downtime in the lodge is an essential time for recovery and relaxation. The evening rest time is important so you will be refreshed for your next day ski. We encourage guests to please enjoy this time in the privacy of your room. We highly recommend taking a nap, hot shower and catching up on your reading in your own private space. Most guests' rooms have their own patio to enjoy adjacent to your bedroom. If you are lounging in the common areas, please remember to adhere to our limited capacity signs posted. After dinner, guests choose how to wind down for the last few hours. We guarantee you will barely be able to keep your eyes open.

From our home to your home,

May the holiday season fill your home with joy, your heart with love and your life with laughter.

Happy Holidays and Happy New Year.

Purcell Mountain Lodge Family xo

December

Special thank you to the December pre season caretakers! Your care was appreciated and together we can accomplish so much more! Thank you to Sean, Keenan, James, Ken, Stef, Aaron, Louis, Nigel and Jamie for looking after the lodge this month!
