End of Summer 2020 Newsletter

Purcell Mountain Lodge opened this summer due to the tireless efforts of our medical community and health officials. Thank you to our dedicated summer family and guests for following the COVID-19 guidelines explicitly so we could all stay healthy. We are very thankful our guests were respectful to act on the safety protocols set out in the lodge. The rewards for our hard work adjusting to a new normal were well

worth the efforts. We got to see the joy and relief in the faces of our visitors. Guests were able to socialize, breath in fresh air, enjoy the freedom to roam and invigorating outdoor activities.

Thank you to the many Canadians that travelled to B.C. this summer and fall. Travel manners were essential and all Canadians should be proud of their efforts. Canadians should be mindful of all the change and efforts we have done together to allow us to have been able to open our doors. The residence of Golden could see visitors were respecting the COVID precautions used to flatten the curve in the community. Golden did not experience an influx of COVID outbreaks. Thank you so much for supporting the community of Golden.

**Thank you to the summer PML family for your dedication & commitment to our summer hiking season. Every staff member was valued and appreciated for their hard work, care and kindness.**

**We made magic happen together in the Purcells!**

**“Great things in business are never done by one person. They’re done by a team of people”**

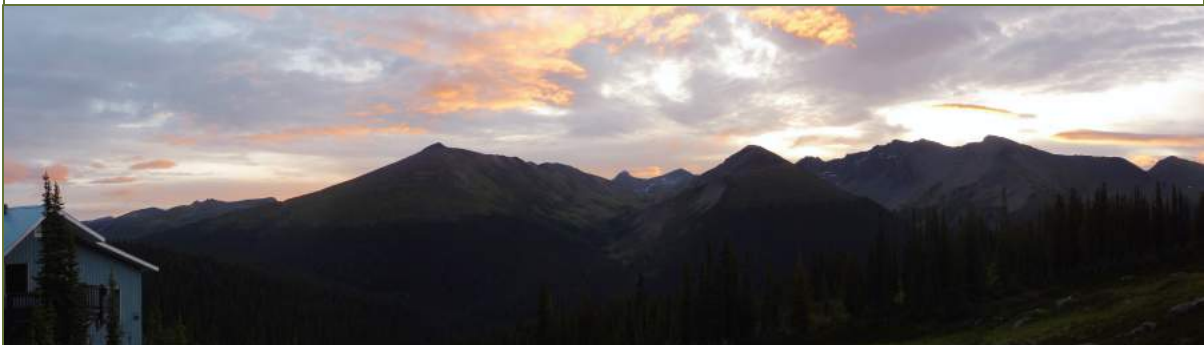

The lodge closed on September 11<sup>th</sup> after a successful summer operation, we are now turning our attention to our shoulder season operation. Our family of shoulder season caretakers are keeping busy at the lodge from September to December. This time frame is for new upgrades and lodge maintenance to be completed and getting ready for the winter season ahead!

Our Purcell Mountain Lodge family remain confident and optimistic that we can welcome guests this winter. The Canada and U.S. border restriction is expected to be extended to November 2020. The restriction means tourists and non essential cross border visits will be prohibited. We anticipate B.C. will remain in Phase Three of the Restart Plan and we will continue to welcome Canadians guests this winter. We are thinking about all our friends throughout the world. We look forward to welcoming you back when the time is right.

**Let's Keep Our Guard Up Friends**

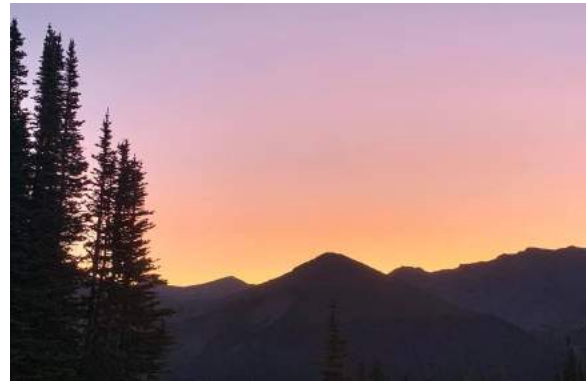

As our COVID-19 transmissions rise in Canada, we must maintain the fight to beat the pandemic together. We will continue to be in the fight for a while. This fall, it is vital for everyone to continue to follow the advice of our health authorities. If we can all stand together we will get back to lower transmissions. We have a responsibility to ourselves, to our family and to society. Please keep up the fight and just try to hang in there. We want our families, friends and communities to be safe and we want to open and welcome Purcell friends back this winter!

**Book the Private Chalet Shoulder Season & Regular Season**

**Self Catered & Self Guided Autumn or Winter Visit**

From October to April we welcome guests to join us for an exclusive private chalet booking. Part of the appeal of Canada's wonderland is enjoying the four seasons. Each season offers changing landscapes, temperatures and climate. Summer in the Purcell range is now transitioning to autumn and before you know it, the first dusting of snow can be spotted on our mountain tops. Winter is on the way!

It has been a long year for us all and we are looking forward to 2021. We need to keep doing what it takes to get us there! This Thanksgiving our Purcell Lodge family are grateful for good health, the love and support of family and friends and our front line workers. Wishing our Canadian friends a Happy Thanksgiving. Hope everyone takes time to get outdoors and enjoy the beautiful colours of the fall season. Stay positive, grateful and count your blessings often. There is always something to be thankful for!
